

## TIPS FOR YOUR 2017 SPRING VISIT

### Eating

- **Avoid the rush!** Our peak restaurant hours are from 10:30am – 1:30pm
- Wanting to eat at peak times? Have **one or two people** from your party wait in line for your table. We have a place inside for elderly or non mobile people to sit while waiting for a table.
- Bring your little artist! We provide **crayons** for children to draw on the back of the placemats and love posting their artwork on our wall.
- We accept cash, Visa and MasterCard. ATM is available onsite.

### Activities

- Get an **“Information Guide to Wheelers”** (\$5 taxes included) at the front cash when you arrive. It is full of explanations on exhibits, activities, and maps.
- Looking for an **easy walk** through the maple forest? The **Horse loop walking trail** is a plowed road right through the heart of the forest. It is easy walking with lots of space to walk as a group, with strollers, or someone looking to go for a less strenuous hike. The “Information Guide to Wheelers” has a trail map and describes the highlights of all our trails so purchase the guide and take it with you.
- **Spend the day with us!** There is so much to do - eating, maple taffy, the Maple Heritage Museum and the Forest & Farm Museum, our nature trails, the barn, outdoor exhibits, our authentic teepee, the playground, and much more!
- Bring a **camera!** You will want to capture the joy 😊. Please be sure to tag us on social media.
- **Dogs** are welcome outside as long as they are on a leash and you clean up after them. Service animals are welcome inside all buildings.

### Maple Syrup

- The bigger size of maple syrup you buy to take home the better bang for your buck! Buy a gallon of maple syrup, store it in the freezer, keep a smaller bottle in the fridge and replenish as necessary from the freezer. Buying a gallon instead of 4 – 1 litres saves you \$27!
- The **sap only runs** if we get the temperature change of -4°C at night and +4 °C during the day. Check our social media or give us a call (613-278-2090) to find out if we are boiling.

### Finding Us

- **Parking:** Park in the upper parking lot (to your far left at the start of the circle driveway) to give yourself more space. Parking lot busy? Drop your passengers who have trouble walking off right at the front door and then find your parking spot.
- Follow our **signs and directions** on our website. The GPS may take you on unmaintained or narrow backroads. If you do dare using your GPS make sure to add “Lanark Highlands” to our address.

### Families

- **Family washrooms:** We know going to the washroom can be a whole family event when you have little ones. Our family washroom has a stationary change table, chair, toilet, and sink to help keep everyone happy and contained while everyone does their business.
- **Nursing Moms:** We are very family friendly so let us know what we can do to make you feel at home! Feel free to nurse anywhere.
